Green shipping/port</li> <li>3. "Living sea" in scope of maritime safety and security</li> <li>4. SAR Service or National Life Board Association – maritime awareness in the society</li> <li>5. Seafarer – a lifestyle</li> </ol>	Gdynia, Poland 20.05.2009
<b><u>SUSTAINABLE GROWTH, EMPLOYMENT AND INNOVATION</u></b>				
3)	CDU-Fraktion im Niedersächsischen Landtag (Parliamentary Group of the Christian Democrats)	Nicole Streitz CDU-Fraktion im	<b>Symposium: <i>From Lower Saxony into the world – Maritime Economy for the next decade</i></b>	Department of Maritime Studies Lower Saxony, Germany

	in Lower Saxony) <a href="http://www.cdu-fraktion-niedersachsen.de/">http://www.cdu-fraktion-niedersachsen.de/</a>	Niedersächsischen Landtag <a href="mailto:nicole.streitz@lt.niedersachsen.de">nicole.streitz@lt.niedersachsen.de</a> T: +49 511 3030 4135 Fax: +49 511 3030 3832	Expert Conference offering lectures, panel discussion and exchange of ideas between economy, science and politicians.	Thursday, 20 May 2010, from 4 o'clock p.m. to 8 o'clock p.m.
4)	IDCEM- Instituto para o Desenvolvimento do Conhecimento e Economia do Mar (Institute for the Development of Knowledge and Economy of the Sea)	Frederico Ferreira <a href="mailto:frederico.ferreira@ciimar.up.pt">frederico.ferreira@ciimar.up.pt</a> Tel: +351223401824 Fax: +351223390608	<p><b>The Portuguese Maritime Cluster in the North Region</b></p> <p>This multi-polar event will consist in two seminars, one exhibition and visits. The objective of this event is to Highlight the contribution of the North Region to a Portuguese Maritime Cluster.</p> <p>Seminar - “ A NÁUTICA COMO FACTOR DE DESENVOLVIMENTO “ (Recreational boating as development factor)</p> <p>Location: Auditório da Escola Superior Tecnologia e Gestão – Viana do Castelo</p> <p>Themes of the seminar:</p> <ul style="list-style-type: none"> <li>• Recreational boating infrastructure Networks</li> <li>• Recreational boating and “boosting” tourism</li> <li>• Intervention Polis North Coast - exploiting the potential of recreational boating</li> <li>•</li> </ul> <p>Exhibition: Location Ship Gil Eannes - Viana do Castelo Maritime City (contents related to maritime tradition, shipbuilding, and cod fishing)</p> <p>Seminar: “Innovation and Economy of the Sea Enterprises”</p> <p>Location: Auditório da APDL Matosinhos</p> <p>Themes of the Seminar:</p> <ul style="list-style-type: none"> <li>• Research, technology and new products</li> <li>• Entrepreneurship and new opportunities</li> <li>• Fostering the “Knowledge and Economy of the Sea” Cluster</li> </ul>	North Region of Portugal: Viana do Castelo, Matosinhos  19-20.05.2010
5)	Associação das Indústrias Marítimas (AIM) <a href="http://www.aim.pt/">http://www.aim.pt/</a>	José Ventura de Sousa, <a href="mailto:ventura.sousa@aim.pt">ventura.sousa@aim.pt</a> T: +351 2 17818773 Fax: +351 2 17818779	<p><b>WORKSHOP “Naval Auxiliary Industry Innovation Capacity and Competitiveness”</b></p> <p>The Seminar intends to disseminate the technological capabilities of Sector Technology Centres and Research Institutions to strength the cooperation with naval auxiliary industry, through the knowledge and development of new research fields and services to improve innovation and competitiveness.</p>	Parque Tecnológico da Mutela, Almada, Portugal 21.05.2010
6)	AFM- Association Fórum MarCentro and CCDRC- Centro na	Alda Reis	<b>The Portuguese Maritime Cluster in the CentroRegion</b>	Centro Region of Portugal:

	Conferência das Regiões Periféricas Marítimas <a href="http://www.ccdrc.pt/">http://www.ccdrc.pt/</a>	<a href="mailto:alda.reis@ccdrc.pt">alda.reis@ccdrc.pt</a> T: + 351 2 39400158	This <b>multi-polar event</b> will consist in Workshops, Conferences and Open Days and Visits at ports, shipyards, fishery industries, and maritime museums, namely the Ship “Santo André”.  Three main activity sectors related to the Maritime Cluster and Innovation, will participate on this Maritime Day Event: <ul style="list-style-type: none"> <li>• Fisheries and Fisheries Industry;</li> <li>• Shipyards;</li> <li>• Sustainable Maritime Tourism.</li> </ul>	Ílhavo; Figueira da Foz; Peniche 19-20.05.2010
7)	Azores Regional Government <a href="http://azores.gov.pt/Portal/pt/principal/homepage.htm">http://azores.gov.pt/Portal/pt/principal/homepage.htm</a>	<b>Environment and Sea:</b> telephone: +351 292 207 300, fax: +351 292 293 560 Sara SANTOS <a href="mailto:Sara.VF.Santos@azores.gov.pt">Sara.VF.Santos@azores.gov.pt</a> Helena CEPEDA <a href="mailto:Helena.IR.Cepeda@azores.gov.pt">Helena.IR.Cepeda@azores.gov.pt</a>  <b>Economy:</b> telephone: +351 296 209 800, fax +351 296 287 502 Lucília SOARES <a href="mailto:lucilia.mt.soares@azores.gov.pt">lucilia.mt.soares@azores.gov.pt</a>  <b>European Affairs and External Cooperation:</b> telephone: +351 296 204 815, fax +351 296 629 354 Célia AZEVEDO <a href="mailto:Celia.MA.Azevedo@azores.gov.pt">Celia.MA.Azevedo@azores.gov.pt</a>	<b>European Maritime Day 2010 (Dia Europeu do Mar 2010)</b> Nautical activities throughout the Azores Islands and International Seminar – Shipping in Macaronesia	The islands of the outermost region of the Azores. Specific locations at each island to be defined 20-22.05.2010
8)	AREA Science Park <a href="http://www.area.trieste.it/opencms/opencms/area/en/">http://www.area.trieste.it/opencms/opencms/area/en/</a>	Mr Ciro Franco <a href="mailto:ciro.franco@area.trieste.it">ciro.franco@area.trieste.it</a> T: +39 40 375 5296 Fax: +39 040 375 5320	<b>International Symposium: Structural measures and policies for the outlining of new maritime career paths and professional skills</b> International event focused on outlining new profiles and competencies required by the ship building sector in the context of the latest innovation and trends	AREA Science Park Congress centre, Trieste – Italy 19.05.2010
9)	Clare County Council <a href="http://www.clarecoco.ie/">http://www.clarecoco.ie/</a>	Majella Mac Namara <a href="mailto:mtmacnamara@clarecoco.ie">mtmacnamara@clarecoco.ie</a> T: ++353 6 5 6846426 Fax: +353 6 5 6829558	<b>WORKSHOP "Development of ocean multimodal transhipment terminal in the Shannon Estuary"</b> In furtherance of the EU Commission's objectives to develop European Short Sea Shipping. To improve efficiencies of deep-sea cargo handling and distribution models throughout the EU. Bring together operators, legislators and private sector to further development proposals for the industry in EU.	County Clare, Ireland 20 <sup>th</sup> May 2010.
10)	Ecole de Management de Normandie	Yann ALIX- Directeur	<b>WORKSHOP "Follow this container"</b>	Le Havre- France

	IPER -Institut Portuaire d'Enseignement et de Recherche <a href="http://www.em-normandie.fr/">http://www.em-normandie.fr/</a>	<a href="mailto:y.alix@em-normandie.fr">y.alix@em-normandie.fr</a> /T: 00 33 2 32 92 56 71	Throughout the day, each person involved in the containerized logistics chain will outline their role and explain how they follow the progress of merchandise which is shipped out of the port of LE HAVRE, FRANCE to CHINA, through the port of DALIAN. The objective of this day is to follow the whole route of merchandise from FRANCE to CHINA, in a manner which combines pedagogy and enjoyment. The participants will transmit their expertise and passion for their work to a varied audience. There will be input from exporters, road transporters, port authorities as well as from those who load the merchandise. Also we will hear from people involved in the transit, documentation and insurance elements, as well as the shipping companies themselves, not forgetting the Chinese import companies.	20 <sup>TH</sup> May 2010
11)	Nautisme Espace Atlantique 2 (NEA2) (Interreg IV Atlantic Area project) <i>Lead Partner : Conseil régional de Bretagne</i> <a href="http://www.bretagne.fr/internet/jcms/j_6/accueil">http://www.bretagne.fr/internet/jcms/j_6/accueil</a>	<b>Céline DUHAMEL</b> – <i>service Tourisme</i> <a href="mailto:celine.duhamel@region-bretagne.fr">celine.duhamel@region-bretagne.fr</a> T: +33 2 22 93 98 54 / Fax: +33 2 22 93 98 98 <b>Christophe MARQUES</b> – <i>Mission Mer</i> <a href="mailto:christophe.marques@region-bretagne.fr">christophe.marques@region-bretagne.fr</a> T: +33 2 90 09 16 52 <b>François ARBELLOT</b> – <i>Coordination technique NEA2</i> <a href="mailto:francois.arbellot@nea2.eu">francois.arbellot@nea2.eu</a> Mob: 00 33 677 14 62 75	<b>EVENT "Atlantic Nature and Watersports OR Nature et Nautisme Atlantique (title tbc)"</b> The objective is to promote sustainable watersports activities through a new transnational event organised in the Atlantic Area in accordance to the NEA2 Project. Several partners (councils, watersports and environmental organisations,...) will organise a common event on the 29 <sup>th</sup> and 30 <sup>th</sup> may 2010 all over the Atlantic Area coasts, lakes and rivers.	About 50 venues in Ireland, Northern Ireland, Cornwall, Devon, Basse Normandie, Bretagne, Pays de la Loire, Galicia, North Portugal and Andalusia  On the 29 <sup>th</sup> and 30 <sup>th</sup> may 2010
12)	Mercator Media Ltd <a href="http://www.mercatormedia.com">http://www.mercatormedia.com</a>	Marianne Rasmussen, Business Manager, Mercator Media, email: <a href="mailto:mrasmsussen@mercatormedia.com">mrasmsussen@mercatormedia.com</a> T: +44 1962 842950	<b>CONFERENCE "Offshore Mariculture 2010"</b> The 2010 Offshore Mariculture Conference will be the third in this series of successful events aimed at growing offshore fish farming businesses and will explore the progress and prospects for offshore aquaculture in European and international waters.	Dubrovnik, Croatia 19-21.05.2010
13)	Ministry of Trade and Tourism of Spain	Timoteo de la Fuente García <a href="mailto:tfuenteg@mityc.es">tfuenteg@mityc.es</a> T: +34 913495196 Fax: +34 913494299	<b>CONFERENCE on European shipbuilding</b>  The event is aimed at launching a European dialogue to ensure that shipbuilding remains competitive into the future. The Conference is focusing also on the question of how the goals of the LeaderSHIP 2015 initiative may be achieved as well as new initiatives proposed.	Bilbao, Spain 18.05.2010
<b><u>ENVIRONMENT/BOUDARIES OF SUSTAINABILITY</u></b>				
14)	Regional Council of Brittany	Christophe Marques	<b>"Semaine de la mer et du littoral" (Sea and Coastal Zone</b>	Different locations in Brittany (all

	<a href="http://www.bretagne.fr">www.bretagne.fr</a>	<a href="mailto:Christophe.marques@region-bretagne.fr">Christophe.marques@region-bretagne.fr</a> T: +33 2 90 09 16 52	<b>Week)</b> Dans le cadre de la mise en œuvre de la charte des espaces côtiers bretons, la Région Bretagne organise, avec les acteurs de la zone côtière, une semaine de la mer et du littoral en Bretagne. Elle regroupe un ensemble d'événements sur différents volets de la gestion intégrée de la zone côtière afin de sensibiliser le public à la gestion durable de cet espace.	coastal zone considered). From May 26 <sup>th</sup> to May 30 <sup>th</sup> .
15)	BIS Bremerhaven Economic Development Company <a href="http://www.bis-bremerhaven.de/sixcms/list.php?page=start">http://www.bis-bremerhaven.de/sixcms/list.php?page=start</a>	Markus Lang (REM • Consult; external project management), <a href="mailto:lang@rem-consult.eu">lang@rem-consult.eu</a> T:+49 40 657 903 76 Fax: +49 40 657 903 77	<b>WORKSHOP "POWER cluster - Mid-term Conference"</b> (working title) Meeting of the POWER cluster project partners (INTERREG IV B NSR funded, aim/topic: developing of an offshore wind energy cluster in Northern Europe) alongside with target group focused events (b2b meetings, meeting with politicians, etc.). Objectives: Communicate the project's aims and achievements; build up new and foster existing networks; promote intersectoral and transnational cooperation	Aberdeen, United Kingdom 19 <sup>th</sup> & 20.05.2010
16)	Agria municipality, Magnesia, Greece	Glykeria THYMIAKOU <a href="mailto:glykeriathymiak@gmail.com">glykeriathymiak@gmail.com</a> T: +30 24210 76274	<b>WORKSHOP Environmental Management &amp; Accessibility of Urban Coastal Areas</b> Forum, Workshop and actions to raise awareness on Sustainable Management of Urban Coastal Areas inc. access for all, EMAS, climate change. Dissemination of results of MedCOAST.Net project in Archimed INTERREG IIIB Initiative co-funded by the EU, with partner Municipalities of Sorrento IT, Pafos CY and Birgu MT, plus FTZ MT and Universities of Thessaly, GR and Napoli IT.	Agria Coastal Area, Magnesia, Greece 22.05.2010
17)	Ruppin Academic Centre, Israel <a href="http://www.ruppin.ac.il">www.ruppin.ac.il</a> Non-profit organization	Revital Poleg, Director, External Relations <a href="mailto:rpoleg@ruppin.ac.il">rpoleg@ruppin.ac.il</a> Cell:+972-54-7771607 Tel: +972-9-8983067	<b>Marine Biotechnology Conference</b> Advancement in marine biotechnology resulting from the application of metagenomics to study marine biodiversity. Production of new bioactive compound from sea organisms. Improvement of marine sustainable aquaculture technology. New approaches to bioremediation and sea pollution monitoring. New findings from extremophilic organisms	School of Marine Sciences, Michmoret Campus, Ruppin Academic Centre, Israel 20.05.2010
18)	Niedersachsen Representation in the European Union <a href="http://www.lv.niedersachsen.eu">www.lv.niedersachsen.eu</a>	Wulf Blumenstein <a href="mailto:Wulf.Blumenstein@lv.niedersachsen.eu">Wulf.Blumenstein@lv.niedersachsen.eu</a> Referent Wirtschaft und Verkehr Vertretung des Landes Niedersachsen bei der Europäischen Union Représentation de la Basse-Saxe auprès de l'Union Européenne T: +32 2 235 08 18	<b>Marine Environment in NiederSachsen Conference</b> -Marine research: VB-advance, COSYNA, ICBM Oldenburg University - Maritime safety: European Agency for Maritime Safety, wreck commando Cuxhaven. - Offshore themes: Cuxhaven as location of Offshore technology	Kugelbacke-Halle or HAPAG-Halle, Cuxhaven, Germany 20.05.2010

Fax: +32 2 230 13 20

**SEA-BASIN STRATEGIES**

19)	<p>Centrum Balticum  <a href="http://www.centrumbalticum.org">www.centrumbalticum.org</a></p>	<p>Esko Antola:  <a href="mailto:esko.antola@centrumbalticum.org">esko.antola@centrumbalticum.org</a>  T: +358 400 824227</p>	<p><b>3<sup>rd</sup> National Baltic Sea Forum</b>  The purpose is to bring together actors associated with Baltic Sea issues in Finland. The annual two-days event shall have two main topics: cultural identity in the Baltic Sea region as a foundation for the Baltic Sea Strategy and the maritime policy of the EU as a continuation to the Maritime Policy conference in 2006.</p>	<p>Turku, Finland  20-21.05.2010</p>
20)	<p>MARITIME LAW ASSOCIATION OF SLOVENIA (MLAS)  <a href="http://www.mlas.fpp.edu">www.mlas.fpp.edu</a></p>	<p>Prof. Dr. Marko Pavliha, President MLAS  <a href="mailto:marko.pavliha@fpp.uni-lj.si">marko.pavliha@fpp.uni-lj.si</a>  Tel: +3865 676 72 14  Fax: +3865 676 71 30</p> <p>Mitja Grbec, LL.M., Member of the Executive Board,  <a href="mailto:mitja.grbec@gmail.com">mitja.grbec@gmail.com</a>  Tel: +38641846378,  Fax: +38656726111</p>	<p><b>WOKSHOP “Towards an Integrated Maritime Policy for a better governance of the Mediterranean (<i>..the way from Piran to Piran..</i>)”</b>  The aim of the event in 2010 will be therefore to discuss the results of this efforts, the new EU strategy for the Mediterranean and its particular application on the Adriatic. Speakers will include representatives from the <i>Slovenian Maritime Law Association (MLAS), Maritime Law Association of Malta, Italian Maritime Law Association coupled by the French and Croatian Maritime Law Association (to be confirmed)</i>. The event will be held in English language and attended by representatives of the Slovenian Government (inc. <i>Ministry of Transport and Ministry of the Environment</i>).</p>	<p>Piran, Portorož, Slovenia  20.05.2010</p>
21)	<p>Councillor Brad Watson OBE  West Sussex County Council  <a href="http://www.westsussex.gov.uk/ccm/portal/">http://www.westsussex.gov.uk/ccm/portal/</a></p>	<p>Sarah Bazen  <a href="mailto:Sarah.bazen@westsussex.gov.uk">Sarah.bazen@westsussex.gov.uk</a>  T: +44 (0)1243 777927</p>	<p><b>WORKSHOP Coastal Communities In Co-Operation (CCinC)</b>  South England Channel sea coastal communities will work together at 2 levels. The objective of the whole event is to focus experts on working in co-operation on innovative solutions for the joint benefit of the coastal region as well as to raise local awareness of the importance of these issues by drawing people to the area for local events.</p> <p>1. Strategic level  West Sussex and Hampshire County Councils will work together to lead a workshop on "Community Coastal adaptation" within the context of Integrated Coastal Zone Management. Experts from public and private organisations will be invited to contribute to the workshop with the objective of working on a proposal for presentation to the DG MARE.</p> <p>2. Local level  West Sussex and neighbouring Councils will work with local SMEs, schools and voluntary organisations in their coastal harbours to link up these communities either</p>	<p>West Sussex and neighbouring Counties  Level one : 20 May  Level two: 22-23 May –To be confirmed</p>

			physically or virtually. This will be via a combination of simultaneous events in each harbour or by physical land or sea travel from one to another.	
<b><u>CROSS-CUTTING POLICY TOOLS</u></b>				
22)	South-East Regional Authority <a href="http://www.sera.ie">http://www.sera.ie</a>	MICHAEL MORONEY Email: <a href="mailto:dir@sera.ie">dir@sera.ie</a> Tel: +353 52 6126200 Fax: +353 52 6126512	<b>WOKSHOP “Sustainable estuarial regions: development of the Waterford estuary”</b> 1-day Conference examining marine spatial planning. Overall objective of developing a strategic methodology and framework for the sustainable integrated governance and innovative development of the Waterford Estuary. The event will examine the challenges and pressures facing estuarial environments with a specific focus on the Waterford Estuary.	Waterford City, Ireland 20.05.2010
23)	Wessex Archaeology <a href="http://www.wessexarch.co.uk">http://www.wessexarch.co.uk</a>	Antony Firth <a href="mailto:a.firth@wessexarch.co.uk">a.firth@wessexarch.co.uk</a> T: +44 1 722 326867 Fax: +44 1 722 337562	<b>WORKSHOP on the Archaeological Heritage of the Eastern English Channel: integrating data on the Continental Shelf</b> This event is planned as part of an ALSF project to re-examine marine geophysical and geoarchaeological data from the Eastern English Channel, to better understand the archaeological potential of the region in terms of human activity in prehistory and the more recent wrecks of ships and aircraft. The workshop is specifically intended to bring together researchers from both sides of the Channel and make best use of marine data.	Venue in South East England or Northern France (to be confirmed) Around 25 May 2010 (to be confirmed)
24)	Lab. Géolittomer LETG (UMR 6554 CNRS), University of Nantes <a href="http://letg.univ-nantes.fr">http://letg.univ-nantes.fr</a>	Dr. Brice Trouillet <a href="mailto:brice.trouillet@univ-nantes.fr">brice.trouillet@univ-nantes.fr</a> T: +33-2 40 14 11 56	<b>WORKSHOP Colloque “Mer agitée, mer à gérer. Vers un aménagement de l'espace maritime.” / Symposium “Rough sea, sea to manage. Towards a management of maritime space.”</b> This multidisciplinary symposium has the ambition to constitute a high level scientific meeting, but also an exchange time between scientists, managers and users involved in maritime issues. This one day event could be structured in two times: - the growing needs and pressures exerted on the marine environment, - the urgent need of sea management : data, tools, stakeholders, management devices, etc. Obviously, the question of assessment will be central: how assess needs and pressures? how assess management?	Nantes, France 7.06.2010
<b><u>INTERNATIONAL DIMENSION OF IMP</u></b>				
25)	Clúster Marítimo Español/ Spanish Maritime Cluster (SMC) <a href="http://www.clustermaritimo.es">www.clustermaritimo.es</a>	Carlos Ruiz de León, <a href="mailto:secretaria@clustermaritimo.es">secretaria@clustermaritimo.es</a>	<b>WORKSHOP “Creation of the Latin American Maritime Cluster Network”</b>	Location of the workshop: Cadiz/ San Fernando at the Instituto

		T: +34 9 17472116 Fax: +34 9 13290713	First steps towards establishing a network of industry clusters based on the European model. The main target is to encourage the creation of the Latin American Maritime Cluster Network to identify and encompass common interests, in order to respond to the challenges of empowering maritime industry competitiveness and facilitate sustainable growth, technological modernisation and internationalisation. This network must be linked with the European Maritime Cluster Network. The SMC will collaborate with the Spanish Navy to coordinate the workshop.	Hidrográfico de la Marina/IOM/ Club Naval. +/- 20.05.2009
<b><u>STANDS/EXHIBITIONS</u></b>				
26)	IPSEMA (Institute for Social Security for the Maritime Sector) <a href="http://www.ipsema.gov.it/">http://www.ipsema.gov.it/</a>	Claudia Iosca <a href="mailto:ciosca@ipsema.gov.it">ciosca@ipsema.gov.it</a>  T. +39 06 47 87 73 41	<b>EXHIBITION "The values of the sea"</b> The exhibition is aimed at increasing students' knowledge about maritime careers, in order to increase their interest in the maritime sector.	Opening: Rome 20.05.2010  The exhibition will then move to Naples, Genoa, Palermo and Trieste
<b><u>ACTIVITY AT SEA/OTHER ACTIVITIES</u></b>				
27)	Merseyside Fire & Rescue Service <a href="http://www.merseyfire.gov.uk/asp/pages/Default2.aspx">http://www.merseyfire.gov.uk/asp/pages/Default2.aspx</a>	Paul Hitchen <a href="mailto:PaulHitchen@merseyfire.gov.uk">PaulHitchen@merseyfire.gov.uk</a> T: +44 7970566857	<b>Maritime Emergency On the Mersey</b> This event will be an opportunity for Merseyside Fire & Rescue Service to showcase its maritime rescue capability using its rescue boat and to demonstrate its capabilities in marine Fire Fighting. It is also anticipated that this event will involve numerous partner agencies and a community safety showcase.	Pier Head Liverpool, United Kingdom 20.05.2010
28)	Bangor University <a href="http://www.bangor.ac.uk/">http://www.bangor.ac.uk/</a>	Gay Mitchelson-Jacob <a href="mailto:egm@bangor.ac.uk">egm@bangor.ac.uk</a> T: +44 1248 713808 Fax: +44 1248 716729	<b>SEACAMS Sustainable Expansion of the Applied Coastal And Marine Sectors"</b> Bangor University's Research Vessel, the <i>RV Prince Madog</i> , will tour the coast of Wales stopping in NE, NW, Mid, SE and SW Wales to meet up with land-based exhibitions to promote the EU-funded SEACAMS project	Coast of Wales, United Kingdom 12-18.05.2010
29)	Maritime Center of Lysekil, Municipality of Lysekil <a href="http://www.lysekil.se/">http://www.lysekil.se/</a>	Kristina von Schenck, <a href="mailto:kristina.schenck@lysekil.se">kristina.schenck@lysekil.se</a> T: +46523613149 Fax: +4652314775	European Maritime day 2010 - <b>Lysekil Maritime Business Convention</b>  The startpoint for an annual meetingpoint for maritime businesses in Lysekil and in the region of West Sweden. Their will be a <b>fair, workshops and seminars</b> . The purpose is to build a creative arena for a broad spectra of businesses; Shipping, Suppliers for shipping industri, Boatbuilders, Fishing, Tourism, Diving, Marine researche	The Town of Lysekil, Sweden  21-22.05.2010

			<p>etc.</p> <p>The goal is to develop this business segment through new business contacts that will lead to new cooperations between companies.</p> <p>The convention will be arranged by the municipality of Lysekil in collaboration with local businesses and research center</p>
